**LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 03-26**

Attn: Mr. William Morris

**Re: United Oil Recovery, Inc., Newington, NH
EPA ID # NHD 980521843**

Dear Mr. Morris:

On September 18, 2002, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of United Oil Recovery ("United"). The purpose of the inspection was to determine United's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, United was issued Letter of Deficiency No. WMD 03-26 (the "LoD"). Based upon a review of United's submittal received December 1, 2003, and subsequent site review by DES's Underground Storage Tank Program, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor United's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Tim Prospert, of the Hazardous Waste Compliance Section, or me, at (603) 271-2942. Thank you for your continued cooperation.

Sincerely,

COPY
